Players 11 and under will play 9 holes each day of the tournament; players 12 and older will play eighteen holes. The events will be set in flights by age, gender and ability depending on the number of participants. You must be 17 or under as of June 14, 2010, or still in high school, to participate. These are limited field events; if oversubscribed the players will be selected by lottery. The top three players in each flight from the previous tour event will have entry priority.

Participants are required to walk (pull-carts are permitted) while playing the course unless special permission is granted (players may be moved in carts out to the course and between holes to expedite play). Participants in the 11 and under bracket may use a parent or guardian caddy.

Proper golf attire must be worn. Players are required to follow First Tee Core Values at all times on the course. All play will be governed by USGA Rules as well as Tour rules, which will be provided to players before the event begins. Tour Officials will be on the course during play; any questions concerning the rules should be addressed to them. Their decisions are final.

Entry fees per event are \$30.00 for players 12 and older and \$15.00 for players under 12. Fees must be paid before a player can participate. A limited number of Player Sponsorships are available, call Bill Baker at 910-783-8288.

I have read the requirements for participating in this Tour. I have completed this entry form. I agree to abide by all applicable rules and to conduct myself accordingly as well as ensure that my caddy and any supporters also conduct themselves accordingly during the tournament.
